Board of Selectmen
c/o Town Manager's Office
Town Hall, Acton MA

Members of the Board:

I wish to ask for your consent to dispose of the computer hardware described on the attached list. All pieces are obsolete, are no longer adequate for our needs, or have failed. Some of these pieces may be useful to groups in areas of the country that have suffered losses as a result of natural disasters, and I respectfully ask that the Board permit donation of items which these groups may find useful.

Thank you for your consideration of this matter.

Regards,
